RE: Dog Feces Health Hazard

Once again, we need to distribute this notice because we are receiving numerous complaints of some dog owners not picking up after their pets. If you are a dog owner, please be considerate of other people who access the areas around your buildings and along North and South Pullman Drives and pick up after your dog.

In your association's Rules & Regulations it is stated that pet owners are responsible for cleaning up and properly disposing of animal feces. Effectively immediately, if you are found in violation you will receive a fine of \$100 for each offense.

No one else is going to pick up after your pet. So, if you are a dog owner, please take the time to grab a pet pick- up bag at the various dog stations throughout our complex, pick up after your pet and dispose of the feces in the station's container or in your trash container at home.

We thank the dog owners who abide by the rules and who respect those who do not own dogs.

Please be aware that residents are watching and reporting those who are ignoring this policy to the management office.

Thank you for your cooperation.
